

Hoarding Happens: Caring for someone who has excessive clutter

Are you worried about the health and wellbeing of a loved one who lives with a lot of clutter?

Do you have questions about the harm and risks that could arise from an overly full home?

Would you like to know more about the Harm Reduction approach?

Would you like to know what community services may provide when they work with persons who have excessive clutter in their home?

Would you like to ask questions about hoarding, supports, or consequences?
